Participant Information for Car Show

Please plan on arriving and registering your vehicle between 7:30-9:00 a.m. The Car Show officially opens at 9:00 a.m. The registration tent will be located in front of the TRA Performing Arts Center and can be identified by all the orange cones and signage. Vehicles, once in place for the show, should remain in place until 4:00 p.m., which is closing time for the fair. Remaining in place until 4:00 p.m. will help provide a safe environment for fair visitors and show participants. All automobiles and trucks will be assigned a specific parking spot, to the degree possible, when they register at the show. Signage identifying your vehicle will be provided at the registration tent. Once assigned a spot and parked, please remove your keys from the vehicle ignition switch and apply emergency brakes for everyone's safety. You may bring any additional signage, if you desire.
