

21st Annual

# Memphis British Car and Motorcycle Fest

October 1st and 2nd, 2004

- Benefiting children of Memphis through...

The Memphis British Car & Motorcycle Fest is entering its 3rd decade—and we are looking forward to the participation of the many proud owners whose support has made this Fest such a success over the last twenty years, as well as that of the many new friends we hope to meet this year. The proceeds from this year's show will once again go to benefit our two charities: Youth Villages and the Variety Children's Charities

As we have done for past Fests, there will be early registration Thursday night, September 30th, in the conference room at the Hampton Inns and Suites near the northwest corner of Germantown Parkway and Highway 64. Friday events will include a Fun Rallye, tech sessions (also in the conference room at the Hampton Inns & Suites) and our traditional Friday night hospitality dinner—which will once again be held at the main tent at the show site. Registration will continue Saturday prior to the show—and of course you will not want to miss the awards banquet Saturday evening at Coletta's Italian Restaurant. Memphis BSCC and Car Fest regalia will be available at all of the events—as long as the supply lasts.

Come join all the good friends and acquaintances you have made at previous BSCC Car Fests and enjoy a weekend of British cars, good food, and fun! Make your reservations early to insure that you get a room at the guaranteed Memphis British Car & Motorcycle Fest rate.

Register early! Avoid the hassle of last-minute registration! Simply remove the "Registration" page of this newsletter, complete it, and mail it early—along with your check, of course.....

## Our 2nd year at Memphis Boys Town!

...a program of Youth Villages

### 7410 Memphis-Arlington Road

We searched for a special location to celebrate our 20th anniversary of the Memphis British Car & Motorcycle Fest last year—and found it under the towering canopy of trees at Memphis Boys Town, where the Memphis-based organization Youth Villages was founded. This pastoral setting belies the fact that it is only minutes from perhaps the busiest area in Shelby County—Wolfchase Galleria.

Participants in last year's show universally expressed the opinion that last year's Fest (and especially the Hospitality Dinner!) was the best ever—so we look forward to returning to that venue again this year! Even though the '03 show was considered our best, the '04 show will be even better. Register now so you don't miss a minute of the fun!
