British Sports Car Club, LTD Memphis, Tennessee

Thanks to all who came to the Jaguar Marque event at the Rollin' J Ranch. Fortunately, there was enough to eat as there were about 30 who made the trip. This kind of attendance is what all events should have.

After eating burgers and hot-dogs and consuming some libations, there was a caravan to the Garage Mahal to see the collection of XKs and offer some helpful advise on the restoration of "Rusty." Everyone appeared to have a good time and departed for home.

From the Editor.....

Our thoughts and prayers go out to anyone who has been affected by the recent Tornadoes that did horrific damage in and around Tennessee. Anyone who has spare time on their hands can be useful in helping with the clean up of debris in those areas. Also food, water and clothing are needed as well as money donations. If you would like to help, contact your local Red Cross office. If you get any interesting articles or jokes via email, please forward them to me so that I can publish them in our newsletter to be enjoyed by all. See you at the next meeting. Always be safe!

AMAZINGLY SIMPLE HOME REMEDIES

1. If you are choking on an ice cube, don't panic. Simply pour boiling water down your throat and presto. The blockage will be removed.
2. Clumsy? Avoid cutting yourself while slicing vegetables by getting someone else to hold them while you chop away.
3. For high blood pressure sufferers: simply cut yourself and bleed for a few minutes, thus reducing the pressure in your veins. Remember to use a timer.
4. If you have a bad cough, take a large dose of laxatives, then you will be afraid to cough.
5. Have a toothache? Smash your thumb with a hammer and you will forget about the toothache.

THE LIGHTER SIDE

One Wish and Only One Wish

A man walking along a California beach was deep in prayer.

Suddenly, the sky clouded above his head and, in a booming voice, the Lord said, "Because you have TRIED to be faithful to me in all ways, I will grant you one wish."

The man said, "Build a bridge to Hawaii so I can drive over anytime I want."

The Lord said, "Your request is very materialistic. Think of the enormous challenges for that kind of undertaking. The supports required to reach the bottom of the Pacific! The concrete and steel it would take!

It will nearly exhaust several natural resources. I can do it, but it is hard for Me to justify your desire for worldly things.

Take a little more time and think of something that would honor and Glorify Me."

The man thought about it for a long time." Finally he said, "Lord, I wish that I could understand my wife. I want to know how she feels inside, what she's thinking when she gives me the silent treatment, why she cries, what she means when she says nothing's wrong, and how I can make a woman truly happy."

The Lord replied, "You want two lanes or four on that bridge?"

Some ways of dealing with the burdens of life:

- * Never put both feet in your mouth at the same time, because then you won't have a leg to stand on.
- * Nobody cares if you can't dance well. Just get up and dance.
- * Since it's the early worm that gets eaten by the bird, sleep late.
- * The second mouse gets the cheese.
- * Birthdays are good for you. The more you have, the longer you live.
- * You may be only one person in the world, but you may also be the world to one person.
- * Some mistakes are too much fun to only make once.
- * We could learn a lot from crayons. Some are sharp, some are pretty and some are dull. Some have weird names, and all are different colors, but they all have to live in the same box.

Bubba and Ray (A&M mechanical engineers) were standing at the base of a flagpole, looking up.

A woman walked by and asked what they were doing. "We're supposed to find the height of the flagpole," said Bubba, "but we don't have a ladder."

The woman took a wrench from her purse, loosened a few bolts, and laid the pole down. Then she took a tape measure from her pocket, took a measurement, announced, "Eighteen feet, six inches," and walked away.

Ray shook his head and laughed. "Ain't that just like a blonde! We ask for the height and she gives us the length!"
