From the Editor.....

I would like to thank Hall Prewitt for a great January 16th meeting presentation. Everyone enjoyed him. Unfortunately, it looks like we will be having six more weeks of winter and the cold weather. I for one do not like cold weather and I am looking forward to warmer temperatures. We have some fun times ahead with our monthly marque events and we hope everyone will attend as many as possible. We look forward to seeing you there. See you at the next meeting. Always be safe!

THE LIGHTER SIDE

Note:

Some ways of dealing with the burdens of life:

- * Accept that some days you're the pigeon, and some days you're the statue.
- * Always keep your words soft and sweet, just in case you have to eat them.
- * Always read stuff that will make you look good if you die in the middle of it.
- * Drive carefully. It's not only cars that can be recalled by their maker.
- * If you can't be kind, at least have the decency to be vague.
- * If you lend someone money and never see that person again, it was probably worth it.
- * It may be that your sole purpose in life is simply to serve as a warning to others.
- * Never buy a car you can't push.

An elderly couple was attending church services when about halfway through she leans over and says to him, "I just had a silent passing of gas, what do you think I should do?" He leans over to her and replies,

"Put a new battery in your hearing aid..."
