Dear BSCC,

Thank you so much for the contributions you made to NAMGAR GT 48 in Memphis, Tennessee. With 123 registered cars and a week filled with activities from morning till night, GT 48 truly brought together MG enthusiasts from across the country, who shared their love for these iconic vehicles. The eighteen car classes spread throughout the Edge District provided a thrilling competition for over 200 registered participants, all vying for the coveted first place trophies.

The location itself, in front of the Edge Museum with its focus on the concept of speed and American sports cars, added an extra element of excitement, with over twenty exotic cars on display. The camaraderie among car owners was truly special, and it was thanks to the generosity and support of businesses like yours that GT 48 was such a resounding success. Your generosity played a significant role in creating an unforgettable experience for everyone involved.

Your contribution to GT 48 helped to promote the event and showcase the passion and dedication of MG enthusiasts. Your support made it possible for us to organize and host this exceptional gathering, providing an opportunity for participants to connect, compete, and celebrate their shared love for MG cars.

Once again, thank you for helping to promote GT 48. Our gratitude is beyond words. It was a pleasure to be a part of GT 48, and we sincerely appreciate your contribution to its success.

Best regards,

Carolyn and Hiram Shepard
