THERE WILL BE NO DECEMBER GENERAL MEMBERSHIP MEETING AT PANCHO'S RESTAURANT
OUR CHRISTMAS PARTY ON DECEMBER 5th WILL TAKE THE PLACE OF THE MEETING
SEE YOU JANUARY 11, 1988 AT PANCHO'S FOR THE FIRST MEETING OF 1988

UPCOMING EVENTS

As stated above, the club Christmas party on December 5th will take the place of our December general meeting. So please don't show up at Pancho's. They won't be prepared (ha ha).

The Variety Club has asked to host our party in appreciation of the \$11,000.00 donation our club made to them from the sale of raffle tickets before and during the 1987 Fest. They will have the food catered and give us their club quarters for the evening. There will be a cash bar tended by Mr. Slate, long time club manager whom most of us already know. The Variety Club must know how many to prepare for, so we must RSVP by DECEMBER 1st. Call Thom or Janis Anderson at (901) 274-2952. If they are not home, leave a message stating your name and how many will be in your party. Dress is FESTIVE. We will have the club juke box and a stereo, so if you have any records you especially like, bring them. And please, REMEMBER TO RSVP BY DECEMBER 1.

1ST ANNUAL POYNER PARTY REPORT

It will be talked about for months. We had a wonderful turn out. Carol and John opened their beautiful home and garages to us and Molly even got into the act. Molly is Carol's anniversary present - a gorgeous white cockatoo. She has her own bedroom.

The club cooks supplemented the ample culinary delights provided by Carol including a cake decorated to look like a British flag and a delicious Mustard Honey Baked Ham. If you went away hungry, it was your own fault. The food was extra great!

And what a site to behold - I hope you were there because it might not happen again in our life time. British cars being driven in the RAIN! Almost everyone brought one of their cars. I'm proud of you gang.

Carol said we could make this an annual event. John said he would let us know as soon as he finishes taking inventory.

Thanks Carol and John, and say hello to Molly. We had a great time!
