WHAT A DAY FOR A CAR SHOW - (hummed to the tune of "What a Day for a Daydream") The BSCC was well represented at the annual Petit Jean Mountain, Arkansas MOTAA Car Show on June 20th. Attending were Mary Ann and Charles Coleman, Marcia and Jimmy Jones, Jeannine and Mike Ramage, Carolyn and Hiram Shepard & kids, Janie and Jack Reynolds and Janis and Thom Anderson. Some went Friday night, others drove over on Saturday. It was sunny and hot, perfect weather! There were, of course, some beautiful cars. Our own Hiram Shepard won second place in his class with his immaculate 1957 MGA with an almost perfect score of 98 out of 100. Quite an honor. Congratulations, Hiram. Some attended the awards banquet that night while others chose to indulge in a seafood buffet in nearby Dardanelle, Arkansas. There was an abundance of booths, flea market style, with both car parts and craft and antique items, and if you were in the market for a car, Petit Jean was the place to be. There were show cars and project cars galore for sale.

After a leisurely breakfast and a swim, we drove back to Memphis (an easy 3 hour drive (one way to the nearest town)). Ask Jimmy Jones and Thom Anderson about the Healey speed required to stay dry in a down pour - but remember, you must be moving, if you stop at a light you've had it.

Everyone had a great time and returned rested and ready to face thoughts of our car fest. The consensus was that our fest compares very favorably, but more about that later.¶

NEW PUBLICATION - Motor Sports News, five weeks old, is available by subscription only (about \$14.00/yr.). They write about anything with a motor, and plan to feature a different car club in each publication. Our turn is coming up. They are excited about our car show and will give us an article prior to the fest. They will also list all upcoming events in the area. More information will appear in the August Wyres and Tyres. We'll bring a copy of the publication to one of the meetings soon.¶

LOST AND FOUND - Elizabeth Hollis left her official BSCC club jacket at Polo's after the April Fool's Rallye. If you picked it up, please bring it to the meeting Monday.¶

NEW PERSONNEL AT JAG - "Lofty" England, successor to Sir William Lyon as Jaguar's Chairman and Executive Officer, will be attending the Southwest Jaguar Owners' Association meeting on August 8, 1987. Mr. England was in charge of servicing Jaguar cars at the company's old Swallow Road premises. Later, his extensive competition background as mechanic and race driver would prove immensely valuable to Jaguar, as he eventually took over direction of the growing race program. It would be under his rule that Jaguar scored its greatest successes at LeMans in the 1950's.

Any Jaguar or other British car owner interested in attending this meeting to hear one of Britain's finest automobile personalities should contact Lamar McQuirter at (hm) 346-7923 or (wk) 369-4429.¶

4th ANNUAL CAR FEST - Our raffle car looks great, thanks to a lot of hard work put in over a lot of hours by dedicated club members. Don Harget's A&B Body shop has completed the paint job. The interior is next, and will be donated by Jimmy Jones of Aircraft Interiors. The car wasn't quite ready for 4th of July ticket sales, but it will be ready for the next event. If you want to help with the car, call Hiram Shepard, raffle car chairman, at (hm) 754-0538 or (wk) 395-3631. And, please be ready to volunteer for booth duty when ticket sales begin. We want to raise as much money as possible for our charity, at a buck a ticket. Hopefully, we'll have our booth at the Mid South Fair again. Call and volunteer - we have many hours to fill. The booth must be manned every hour the fair is open - from 10 AM till 10 PM - 7 days. If you haven't joined in before, ask someone who has. They'll tell you how much fun it is. The coordinator and phone number will be announced later. This is our one gargantuan fund raiser of the year - WE NEED YOUR HELP!¶

### UPCOMING EVENTS -

THE ANNUAL AUSTIN HEALEY CONCLAVE - Harrisburg, PA, August 13-16. For more information contact Thom Anderson at 274-2962.

THE GREAT RACE - This event has already passed, however, we will have a report from Lamar McQuirter who picked up the race in Atlanta, Georgia.

4TH ANNUAL BRITISH CAR FEST - October 9, 10 & 11, 1987 - Memphis, Tennessee.¶

# LUCAS Motoring "Essentials"

406/SA  
SELF-ALIGNING  
MIRROR

**Electric Screenjet**  
Finger pressure is all that is necessary on the push-button switch to set into motion a cycle of operations that are fully automatic—ejection of the jets, recharging of the pump and switching off ready for further use. These are the advantages of the Lucas Screenjet, the first ever all-electric windscreen washer. 6 or 12 volt, complete with switch, cable and twin jet nozzle 72s. 6d.

**WT 618 Windtone Horns**  
Though remarkably light and compact, these Lucas Windtones give distinctive warning notes that are powerful, penetrating and pleasant. They are supplied in specially blended pairs—one high note and one low note—combined to give a mellow note. Finished in polished ebony black. Complete with cables and simple fitting instructions 6 volt and 12 volt, price £5 0. 0d.

**406/SA Self-aligning Mirror**  
The Lucas Self-aligning Mirror absorbs accidental bumps and knocks without damaging the mirror. By virtue of its perfect swing-back action it always returns to its pre-set position. 406 type 25s. 0d., convex lens. 407 type 23s. 6d., flat glass. Available for left- or right-hand fitting.

REMEMBER - If you have an article for the Wyres & Tyres, please call Janis Anderson at 274-2952 or (wk) 576-4820. Publication deadline is the last Friday of the month.

If you are the only club member at an out-of-town event, take the time to jot down some notes for an article. Call with any wants or gots. If I don't get some articles, you'll have to keep seeing cartoons like the one below. (Donated, of course, by Lamar McQuirter)

Thanks
