NATCHEZ TOURIST TROPHY RALLYE - What a great trip! Attending from Memphis were the Haleys, the McQuirters and their friends from Columbus, Georgia, Fran & Charles Fields, the Sheppards (the ones that spell their name with 2 p's), the Callows, the Haughtons along with Peter's parents Ruby & Doug all the way from England, the Hadskeys, the Roberts, and the Andersons. We drove up on Friday, pic-nicing all the way, and stayed at the beautiful Eola Hotel in down town Natchez. The hotel has been restored to its original splendor, and has all the charm and hospitality you would expect from the Mississippi Delta. About 14 cars ran the TSD rallye which was extremely well organized by Jack Pool and Alex & Tere Wade. Dan Sheppard and Bobby Hadskey brought home the 3rd place trophy - Bobby was both the driver and navigator, Dan was just along for the ride. The rallye covered some beautiful roads surrounded by some beautiful scenery. We all ate, shopped, took in the sights, visited cemeteries, and some other (uh) places of interest. Incidentally, anyone seen wearing a T-shirt from Nellie's should be approached with extreme caution, maybe even rubber gloves and face masks. We had quite a wind down party in the Robert's suite on Saturday night. Food there was provided by the Pic-nic baskets of June Haley, Carole Sheppard and Doris Roberts. Jokes were provided by almost everyone. We motored back on Sunday and stopped at the house of Thom Anderson's mother-in-law. Janis' mother & brother had prepared a lunch of smoked turkey and ham with all the trimmings. They send word that they loved meeting everyone and want us all back next year. After a brief rest, we returned to Memphis with no car trouble, not even a flat tire! And not a moment too soon. Ewing Haley, at each rest stop made, was seen buckled into his car with the engine running. We paid him no attention, however, as is usually the case. We had a wonderful trip - THANK YOU NATCHEZ! Hey gang, number 32!!

ANNUAL CAR FEST '88 RAFFLE CAR - Our car is really shaping up. The 1966 British racing green MGB now resides at Don Hargett's B & A Body Shop where once a week, usually Tuesdays at 6:00 P.M., our talented members meet and work their restoration magic. If you are interested in helping, contact Thom Anderson at 274-2952 or Charles Roberts at 363-5000.

Members making major donations are:

Petti Jean Mountian, Arkansas Car Show - Thursday, June 18 thru Sunday, June 21, 1987. The swap meet begins the 18th, and is an especially good one. The emphasis of the show is on antique cars, but there are always plenty of British cars around. Petti Jean Mountian is beautiful and has plenty of hiking trails and waterfalls and a car museum that houses the collection of a Rockefeller (can't remember which one.) Several club members plan to attend. For more details come to the Monday night meeting or call Jimmy Jones at 781-2129 (home) or 345-2786 (work).

The Annual Austin Healey Conclave - Thursday, August 13 thru Sunday, August 16, 1987. This national event will be held in Harrisburg Pennsylvania and will turn up some unbelievable Healeys. For more information call Thom Anderson at 274-2952. He will be going and would welcome a back-up car.
