AUGUST, 1988

GENERAL MEMBERSHIP MEETING -
Monday, August 15, 1988 - 7:00 p.m.
Leonard's BBQ - 5465 Fox Plaza Drive

AUGUST GENERAL MEMBERSHIP MEETING

Our August meeting will be held on the 3rd Monday, August 15, 1988 at 7 p.m. at Leonard's BBQ, 5465 Fox Plaza Dr. Please try to arrive on time so we can begin on time. Some members have sitters or other obligations and it helps to know about what time our meetings begin and end. Then those wanting to visit will have plenty of time after the meetings.

This will be our 2nd trial meeting at Leonard's and things seem to be working out well. All suggested locations have been checked out and Leonard's was the only one fitting all our needs (full bar, free room, adequate seating, no guarantee on # of members eating, able to order from menu). All other places either charged for the room or had a \$6-\$8 charge per person to eat from a set menu. If you have any additional suggestions, please submit them to Lamar McQuirter or Janis Anderson prior to or at the Monday night meeting. If there are none at that time, we will book Leonard's for the 3rd Monday of each month. Thank you for your patience. See you at Leonard's the 3rd Monday!

MEMBERSHIP ROSTER

Your new and improved BSCC Roster is attached. Since we're sending it thru the mail, it was necessary to condense the Newsletter as much as possible. My apologies. I have several member-submitted items that will be included in the September Wyres & Tyres. I really appreciate these items.

Back to the roster - There was room for two cars per family only with the new format, and home numbers only are listed. There is room on the second page for additions and work numbers you might need. A blank space indicates no British car at this time. If any of the information is incorrect, please call Janis Anderson at 274-2952.

Please look for new members to add to your roster in the monthly newsletters.

RAFFLE CAR ON COURSE

The golf course, that is. BSCC members along with Variety Club members hawked tickets for 5 sweltering days during the St. Jude/Federal Express Golf Classic. Mr. Clyde Harkin was kind enough to give us the use of his vacant lot adjacent to the course and his hawking abilities. Mr. Harkin sold almost as many tickets as we did. All told, approximately \$1,000.00 was collected.

You'll be able to tell the ones who worked - they all took off about ten pounds. But we'll tell you their names: June Haley, Jon Brody,

Doris & Charlie Roberts, Barry, Linda and Shannon Coker, Jack Taylor, Jerry & Juanita Duncan, Jim Hargis, Lamar McQuirter, Ron Rudnick, Kerry Mitchell (Variety Club), and Mitch & Danny Stemm (Variety Club). Thanks to these hearty members! Another job well done.

JONESBORO JAUNT

This journey had everything. A great trip to stretch our cars' legs (or tires, whatever), great friends, great auto shop tours, and superior food. We even got two new prospective members.

Shirley & Don Bridger have a beautiful home and their huge front yard was set up with tables and chairs for all of us - and the food - the BBQ chicken was the best I have ever had. Many thanks to Shirley & Don's friend Gene Barnett for his culinary genius. We were able to obtain the recipe for his sauce, and it will be included in the September Wyres & Tyres.

Driving from Memphis were Hatti & George Petech, Doris & Charlie Roberts, Rob Kamery, Bill Branson & Melanie Malone, Priscilla & Lynn LeFevre, Mary Ann & Charles Coleman with their daughter, Janey & Jack Reynolds, Carolyn & Hiram Shepard and their children, Linda & Randy Balogh, Skip Padgett and Janis and Thom Anderson. After a brunch at the Anderson's, the group joined members Jimmy Jones and his father Buddy Jones, Jon Brody and Laurie, Brian Smith and Don Province in Jonesboro. We had a wonderful Sunday and nobody had car trouble. (Which was, actually, quite boring.) Thank you so much Shirley & Don, for welcoming us into your beautiful home. The women were as envious of the house as the men were of Don's shop. Of course, Don's shop looked better than my house!

It was a treat to meet new friends from the Jonesboro area, especially Jeff & Jean Cooper from Searcy, Arkansas. We're looking forward to their becoming a part of the club.

It was a trip we won't soon forget.

CAR SHOW

It is almost here! A lot of planning has already taken place. **WE NEED VOLUNTEERS!** Committee sign up sheets will be circulated at the Monday meeting. You'll have your choice of hospitality, grounds, judging, tallying, registration, or raffle car. We'll also have the FAIR sign up sheet so you can book your fair time in advance if you'd like. Fest dates are October 7-9 and we'll be at the Memphis Sheraton again. The Auction St. bridge should make travel to the island a breeze this year.
