BETTER LATE THAN NEVER

In recognizing some recent hard work, that is. Seems my two main men responsible for the Club Directory were not properly acknowledged. Good ole club treasurer Jack "Moneybags" Reynolds set up the format, and Bill "Inky" Cravens (a printer by trade) did the rest. Jolly good job, guys!

PERHAPS YOU'LL WONDER

Why, after having read this letter, you didn't see anything about our year's biggest happening; The Fest. Well, Fest Chairman Lamar McQuirter is composing his own report of the festivities and, due to the press of business and an early deadline on this newsletter, we won't go to press on it until the December issue. So, stay tuned for the report on what was the biggest (and probably best) one yet.

PAST HAPPENINGS

OCTOBER 20

WINGS AND WHEELS 2ND ANNUAL PICNIC Was held at Twinkletown Airport at Walls, Ms. Did BSCC show up? You bet we did. In 10 British cars owned by Brody, Hofer, Bedenbaugh, Whiting, Poyner, McQuirter, Shelton, Paul Roberts, Jimmy Jones, and Haley. Charles Coleman opted to bring his T Bird and Leo Goff showed up in a Lincoln, along with Jim and Shirley Hargis in a Chevy. The event was open to all types of cars and aircraft, with awards made via people's choice to the top ten cars and planes. The only Brit to score was Jim Hofer's Healey, with both Charles and Leo scoring with their off-brands. ANYWAY, it was great fun; the proceeds went to charity, weather was fine, some of us got the urge to start flying again. Also, thanks to Jimmy Jones for being one of the organizers of this event.

OCTOBER 27

THE WIND DOWN PICNIC...held at Bob Brown's house and sponsored by your friendly Jaguar marque was, as usual, a thumping success. Upwards of 20 British cars sprawled on Bob's spacious lawn while their owners made short work of all the vittles loading down the community tables. The weather was perfect, and a great time was had by all. Thanks again to Bob for having us, and to the bloke who made it happen; marque leader John Poyner.

THE POYNOR PLANTATION PILGRIMAGE...OR...FUN ON THE FARM

Another Jag marque sponsored extravaganza will be held on John and Carol's 75 acre spread northeast of Rossville. As usual, the club will provide an entree and beverages; you bring a side dish/ dessert for the community table and we'll all pig out. Don't worry about the weather; this event will be held rain or shine. If you won't be able to travel with the convoy give John a call for directions, 761-1016 or, on the 18th call 853-2180. A word of advice to those of you who missed the last Farm Frolic; don't let it happen again, Just checking out John's garage is worth the trip.
