ROD KNOCKS AND OIL LEAKS

There's a new sheriff in town!

Outgoing President Buzz Merchlewitz has handed off the reins to Incoming President Jenny Pangle. Some changes are in the works: no more of that macho, swaggering Racer Boy posturing at meetings. Instead, we're going to see a kindler, gentler club, with more emphasis on getting in touch with our feminine side.

The January meeting will feature a short tech session on knitting, so bring your needles (yarn will be provided). Don't knock it; knitting is an important technique in any car person's repertoire. How else will you acquire the skills necessary to repair your string-back driving gloves, crochet seat covers or re-lace wire wheels?

Later programs will cover making an emergency fan belt from pantyhose, stopping a fuel tank leak using only lipstick and fixing anything Lucas with bobby pins and clear nail polish.
